THE OAKS  
COUNTRY CLUB

## General Club Information

### Catering

Our banquet menus were developed to allow you to customize your menu to best suit the needs of your guests. You have the freedom to select and create your own unique menu. Children's and special dietary meals can also be arranged. Any unconsumed items may not be removed from the facility. Plated options are available with additional charges. There is a minimum of 15 people for a buffet.

### Alcohol

By TABC law, it is not permitted to bring alcohol into the Club by outside vendors or individuals. The Club reserves the right to refuse service to any member or guest that appears to be underage, without legal identification, or appears to be intoxicated. TABC requires a \$1 per person charge for all guests using our bar.

### Guarantees

Your final guaranteed number of expected guests must be given 7 business days prior to the event. After this time, the guaranteed number may not be reduced. If the actual attendance exceeds the guaranteed number, additional charges per person will be added to your final bill.

### Deposit and Payment

A non-refundable advance deposit will be required upon the return of the signed contract unless an arrangement has been made with the General Manager. The deposit will be applied to the balance of the event.

### Tax and Service Charge

Sales tax in the amount of 6.25% will be applied to all events. An additional 20% gratuity will be applied to all food and beverage charges.

### Setup and Decorations

The Club must be made aware of any outside vendors that require access to the facility prior to the start of your event. Additional charges may apply to any setup changes made after the initial setup is complete. We do not allow tacks, nails, or glitter for decorations.
